

Here are the rules and regulations everyone is required to adhere to so Mikamar Training Center remains fun and safe for everyone.

1. No dogs that are aggressive towards **PEOPLE** will be allowed on the premises. Period. Any dogs displaying aggression towards people will be asked to leave (with no refund).
2. Dog reactive dogs *are allowed* but you must be capable of controlling your dog. We recommend bringing along a crate to use as well as backup collars, harnesses, and leashes.
3. **Prong and/or shock collars, retractable leashes are not allowed on premises** and rough handling is not allowed at any time. **Retractable leads are illegal in BREVARD county.**
4. All dogs must be kept under control. **Do not let your dog go “nose-to-nose” with any unfamiliar dog unless both owners/handlers consent and are present. ALL DOGS MUST HAVE COLLARS/HARNESSES that are APPROVED BY MIKAMAR.**
5. All dogs must be **ON LEASH** at all times when they are not working or when other dogs are present. Leashes must be on your dog before you exit your vehicle. Mikamar Training Center is close to a busy road and we want to keep everyone safe!
6. Part of the training center is fenced with *temporary* fencing. It will NOT completely contain a dog that wants to get out. Please make sure you are confident in your dog’s recall before you let him run off-leash.
7. There are no refunds once your dog enters the field – even if they don’t want to play.
8. A signed waiver must be presented once a year before your dog can play. It is available at http://mikamar.net/Agility__Obedience_Training.html for your convenience.
9. We will provide water for cooling your dogs.
10. Clean up after your dog. We always have pooper scoopers available if needed.
11. If you bring children, please keep them under control. **Families with children will be asked to leave if the child is petting and approaching other people’s dogs without permission** from the owner and supervision by their parents. Anyone under 18 is not allowed to handle a dog on course without a waiver signed by a parent or legal guardian.
12. Properly care for your dog. This includes housing, water, warming-up and cooling-down, and taking care of any injury or fatigue in a responsible manner.
13. Owners, Handlers, and Spectators: Everyone present shall conduct themselves in a professional, considerate, and sportsmanlike manner. **Please be courteous to our neighbors!**

Furthermore, Mikamar Training Center reserves the right to stop or limit any dog’s participation due to age, body condition, lameness, physiological limitations (e.g., limitations of brachycephalic breeds), temperament, weather conditions, or any other factor that could affect the safety of the dog, other participating dogs, or spectators (dog or human).
